

12th Annual African Village Arts Festival
Sponsorship Request

The Urban Cultural Arts Foundation is housed in the William H. Thomas Art Gallery. The community arts gallery has been a fixture of the Bryden Road neighborhood since 1976. We host artists from all over the world and have received countless awards and special recognition.

In addition to operating the William H. Thomas Art Gallery, the Urban Cultural Arts Foundation presents quarterly art exhibits, conducts workshops, and hosts a variety of special events. While the gallery places a strong emphasis on the preservation of African-American art, it serves as a place for emerging and established artists, across cultures to share their work.
